The WESTCAS Mission:

WESTCAS strives to be:

- The premier, grass-roots organization for providers of water, wastewater and reclaimed water services in the Arid West.
- A responsive coalition on behalf of our members and their customers.
- A reliable source of information about water quality issues to our members and the public.
- An advocate for environmentally sound management of water resources and the protection of public health.
- A contributor to policy, regulations, science, legislation, and appropriations on Arid West water quality and quantity issues.
